EMPLOYER           SoftRain Blobs Oy  
                          Kampikuja 4  
                          78200 Varkaus

TRAINEE            Jean De Dieu Niyigaba

Jean De Dieu Niyigaba has worked in our company from September 2021 to December 2021, as a software trainee.

He has been developing our company's LogiTar transport management system using React and NodeJS. His work has included design, implementation and testing.

Jean has performed all her duties admirably. He has been proactive and careful.

In Varkaus 11.2.2022

SoftRain Blobs Oy

A handwritten signature in blue ink, appearing to read "ER", is placed above the name Esko Ronkainen.
